How to Use Koala® Printable Shrink Film

Koala®

What You Need

Inkjet Printer

Scissors

Heat Gun

Oven

Step-by-Step Instructions

1 Print
Print onto the rough side with an inkjet printer.

2 Cut
Cut out your design along the edges.

3 Bake
150–150°C for 2–3 min.

4 Cool Down
Place on a flat surface to cool.

Tips for Best Results

- Use light colors as prints will darken after shrinking.
- Print slightly larger than final size due to shrinkage.
- Use parchment paper to avoid sticking.
- Let the oven fully preheat before baking.

Safety Reminders

- Adult supervision is recommended when children are using the product.
- Avoid touching hot surfaces directly.

Sample Templates Included
Includes: Animals, Name Tags, Holiday Ornaments
